SCHEDULE 17 SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Preparation:

A. Bass of rreparation:

The Bank's financial statements have been prepared under the historical cost convention, on the accrual basis of accounting ongoing concern basis, unless otherwise stated and conform in all material aspects to Generally Accepted Accounting Principles (GAAP) in India, which comprise applicable statutory provisions, regulatory norms/guidelines prescribed by the Reserve Bank of India (RBI), Banking Regulation Act 1949, Regional Rural Banks Act 1976, NABARD & Applicable/Required Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI), and the practices prevalent in the banking industry in India.

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

C. Significant Accounting Policies:

- Revenue recognition:
- Income and expenditure are accounted on accrual basis, except the following which are recognized on cash basis:

INCOME

- Interest and other income on Non Performing Assets as per IRAC norms prescribed by RBI
- Interest of Non Performing Investment.
- iii. Commission on bank Guarantee
- iv. Insurance claims
- Interest on overdue demand bills purchased vi. Locker rent
- vii. Interest on income tax refund
- viii. Commission from cross selling activities
- ix. Interest differences arise due to Change in Interest Table code
- Interest on Inter Bank Participation

EXPENDITURE

- Expenses on Electricity, Telephone and Taxes, to the extent these are unascertainable at the year end.
 Interest on overdue time deposit not renewed.
- 1.2 Income (other than interest) on investments in "Held to Maturity" (HTM) category acquired at a discount to the face value, is recognized as follows:
 - a. On Interest bearing securities, it is recognized only at the time of sale/ redemption
 - On zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield basis.
- 1.3 Profit or Loss on sale of investments is recognised in the Profit and Loss Account. However, the profit on sale of investments in the 'Held to Maturity' category is appropriated (net of applicable taxes and amount required to be transferred to statutory reserve), to 'Capital Reserve Account'.
- 1.4 Dividend is accounted on an accrual basis where the right to receive the dividend is established.
- Brokerage, Commission etc. Paid/ incurred in connection with issue of Bonds / Deposits are amortized over the tenure of the related Bonds / Deposits and the expenses incurred in connection with the issue are charged upfront.

Invest

The transactions in Government Secu Securities are recorded on "Trade Date" nt Securities are recorded on "Settlement Date". Investments other than Government

2.1 Classification

Investments are classified into three categories, viz.

- Held to Maturity (HTM)
- Held for Trading (HFT)
- Available for Sale (AFS)

- (i) Investments that the Bank intends to hold till maturity are classified as "Held to Maturity (HTM)".
- (ii) Investments that are held principally for resale within 90 days from the date of purchase are classified as "Held for Trading (HFT)"
- (iii) Investments, which are not classified in the above two categories, are classified as "Available for Sale (AFS)".
- (iv) An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.

2.3 Valuation:

2.3.1 In determining the acquisition cost of an investment:

- a) Brokerage/commission received on subscriptions is reduced from the cost.
- b) Brokerage, commission, securities transaction tax etc. paid in connection with acquisition of investments are expensed upfront and excluded from cost.
- Broken period interest paid / received on debt instruments is treated as interest expense/income and is
 excluded from cost/sale consideration.
- d) Cost is determined on the weighted average cost method for Investments under AFS and HFT category and on FIFO basis (first in first out) for investments under HTM category.
- 2.3.2 Transfer of securities from HFT/AFS category to HTM category is carried out at the lower of acquisition cost/book value/market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for. However, transfer of securities from HTM category to AFS category is carried out on acquisition price/book value. After transfer, these securities are immediately revalued and resultant depreciation, if any, is provided.
- 2.3.3 Treasury Bills and Commercial Papers are valued at carrying cost.
- 2.3.4 Held to Maturity Category: Investments under HTM category are carried at acquisition cost unless it is more than the face value, in which case the premium is amortized over the period of remaining maturity on constant yield basis. Such amortization of premium is adjusted against income under the head "interest on investments".
- 2.3.5 AFS and HFT Categories: Investments held under AFS and HFT categories are individually revalued at the ArS and Irl Categories. Investments near under PAS and Irl Categories are marviously revaned at the market price or fair value determined as per Regulatory guidelines, and only the net depreciation of each group for each category is provided for and net appreciation, is ignored. On provision for depreciation, the book value of the individual securities remains unchanged after marking to market.

3. Loans /Advances and Provisions thereon:

3.1 Loans and Advances are classified as performing and non-performing, based on the guidelines issued by the RBI (IRAC Norms)/ NABARD (as applicable).

Loan Assets become Non-Performing Assets (NPAs) where:

- In respect of term loans, interest and/or installment of principal remains overdue for a period of more than 90
- In respect of Overdraft or Cash Credit advances, the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned Limit/drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days as on the date of balance-sheet, or if the credits are not adequate to cover the interest due during the same period;
- In respect of bills purchased/discounted, the bill remains overdue for a period of more than 90 days;
- In respect of agricultural advances for short duration crops, where the installment of principal or interest remains overdue for two crop seasons
- In respect of agricultural advances for long duration crops, where the principal or interest remains overdue for
- 3.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by
 - I. Sub-standard Assets: A loan asset that has remained non-performing for a period less than or equal to 12
 - II. Doubtful Assets: A loan asset that has remained in the sub-standard category for a period of 12 months
 - III. Loss Assets: A loan asset where loss has been identified but the amount has not been fully written off.
- 3.3 Provisions are made for NPAs as per the extent guidelines issued by RBI time to time in respect of RRBs, subject to minimum provisions as prescribed below:

| S.N. | CLASSIFICATION | RATE OF PROVISION |
|------|--|--|
| ı. | Substandard Assets: i. A general provision of 10% on the total outstanding; ii. Additional provision of 10% for exposures which are unsecured absecurity is not more than 10 percent ab-initio); Unsecured Exposure in respect of infrastructure advances where certain are available - 20%. | |
| 2. | Doubtful Assets Secured portion Up to one year One to three years More than three years Unsecured portion | 20.00% 30.00% 100.00% 100.00% |
| 3. | Loss Assets | 100.00% |

In respect to this we want to draw your attention that in current year Bank has changed its NPA provisioning norms. Upto last year it followed rates prescribed by RBI for Commercial Banks. In this year it adopted rates prescribed by RBI for RB's which are more liberal as compare to norms followed by it earlier.

- Advances are net of specific loan loss provisions, unrealized interest, and bills rediscounted
- 3.5 For restructured/rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loan before and after restructuring is provided

for, in addition to provision for NPAs. The Provision for diminution in Fair Value (DFV) and interest sacrifice. arising out of the above, is reduced from advances

- 3.6 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators
- Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery
- In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions Others" and are not considered for arriving at Net NPAs.

Floating Provisions:

The Bank has a policy for creation and utilization of floating provisions separately for advances, investments and general purpose. The quantum of floating provisions to be created is assessed at the end of each financial year. The floating provisions are utilized only for contingencies under extra ordinary circumstances specified in the policy with prior permission of Reserve Bank of India.

5. Employee Benefits:

Contributions payable to Provident Fund in terms of Provident Fund Schemes are charged to Profit & Loss account on

Liability for Gratuity and Leave Encashment is determined on basis of actuarial valuations carried out at the year end and the liability is met by charging to the profit and loss account in accordance with RBI Guidelines and AS-15.

5.1 Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits which are expected to be paid in exchange for the services rendered by employees, are recognized during the period when the employee renders the service.

5.2 Long Term Employee Benefits

i. Defined Benefit Plan The Bank operates gratuity scheme which are defined benefit plans covered in Gratuity Act and Bank

estimates as per Act The Bank provides for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement, on death while in employment, or on termination of employment, for an amount equivalent to 15 days basic salary payable for each completed year of service, subject to a maximum amount of Rs. 10 lass. Vesting occurs upon completion of five years of service. The Bank makes periodic contributions to a fund administered by trustees based on an independent external actuarial (LIC) subscribes considered not sense. (LIC) valuation carried out annually.

The cost of providing defined benefits is determined using the projected unit credit method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains/losses are immediately recognised in the statement of profit and loss and are not deferred.

Taxes on income:

Income tax expense is the aggregate amount of current tax and deferred tax expense incurred by the Bank. The current tax expense and deferred tax expense are determined in accordance with the provisions of the Income Tax Act, 1961 and as per Accounting Standard 22. Deferred tax adjustments comprise changes in the deterred tax assets in tabilities during the year. Deferred tax assets and liabilities are recognized by considering the impact of timing differences between taxable income and accounting income for the current year, and carry forward losses.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted at the balance sheet date. The impact of changes in deferred tax assets and liabilities is recognized in the profit and loss

account. Deterred tax assets are recognized and re-assessed at each reporting date, based upon management's judgment as to whether their realization is considered as Reasonably/virtually certain

7. FIXED ASSETS

- Fixed assets are carried at cost less accumulated depreciation / amortization
- Cost includes cost of purchase and all expenditure such as site preparation, installation costs and professional fees incurred on the asset before it is put to use. Subsequent expenditure/s incurred on the assets put to use are capitalised only when it increases the future benefits from such assets or their functioning capability.
- Bank has changed its Depreciation Policy in comply of State Bank Of India guideline vide their Letter No CC/IFRS/CFS/1472 Dated 26.02.2015 and CC/IFRS/CFS/354 dated 01.03.2016 as detailed here under:

(No depreciation is provided on assets sold/disposed off during the year)

- Items costing less than Rs. 1,000 each are charged off in the year of purchase.
- In respect of assets acquired during the year (for domestic operations), depreciation is charged on proportionate basis for the number of days the assets have been put to use during the year.

8. Provisions, Contingent Liabilities and Contingent Assets:

- In conformity with AS 29, "Provisions, Contingent Liabilities and Contingent Assets", issued by the Institute of Chartered Accountants of India, the Bank recognizes provisions only when it has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made. 1)
- 2) No provision is recognized for:
 - Any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Bank; or
 - Any present obligation that arises from past events but is not recognised because
 - a. It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - b. A reliable estimate of the amount of obligation cannot be made.

Such obligation for which an outflow of resources embodying economic benefits is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

3) Contingent Assets are not recognized in the financial statements.

9. Impairment of Assets:

9. Imparment of Assets: Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrant that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net discounted cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

10. Inter Bank Participat

The aggregate amount of participation is reduced from the aggregate advances outstanding in case of issuing bank. The participating bank will show aggregate amount of such participation as part of advances. Such transaction will not be reflected in individual borrower's account but will be only nettled out in general ledger.

- 11. Commission, Exchange and Brokerage include income by way of Locker Rent, Processing Charges, etc.
- 12. Opening Balances/Previous year's figures have been regrouped/reclassified, wherever necessary, to conform to current period classification

The Bank recognizes the Deferred Tax Assets/Liabilities (DTA/DTL) of future tax consequences for temporary differences The bank recognizes in Peterteu in Assess/Laonines (DTA/DTL) of nuture tax consequences for temporary uniterences arising between the carrying value of assets and liabilities and their respective tax bases. DTA is recognized only when management is satisfied that there is virtual certainty that sufficient future taxable income will be available against which deferred tax assets can be realized. After giving due consideration to prudence, DTA/DTL is measured using the tax rates and the tax laws that have been enacted or substantively enacted by the Balance sheet date. The Components of Deferred Tax Asset / (Liability) as on 31.03.2016 are as under:

| PARTICULARS | DEFERRED TAX ASSETS/LIABILITY AS AT YEAR END 31.03.2016 | CURRENT YEAR CHARGE 2015-2016 |
|---|--|----------------------------------|
| Difference between Depreciation as per Income Tax Act and Books Depreciation | NIL | 12650 (Liability) |

Accounting Standard 26 Intangible Assets

The present practice of depreciating software which forms integral part of hardware @33.33% (on SLM basis) and Depreciating Other Software @ 100% consistently followed by the Bank is in line with AS-26 issued by ICAI.

30. Accounting Standard 28 - Impairment of Assets

In the opinion of Bank's Management, there is no impairment to the Assets during the year to which Accounting Sta 28- "Impairment of Assets" applies.

31. AS-10 "Accounting for Fixed Assets"

As per Paragraph 24 of AS-10 "Accounting for Fixed Assets" states that "Material items retired from active use and held for disposal should be stated at the lower of their net book value and net realizable value and shown separately in the financial statements. "The fixed assets which are retired from active use and dismantled and are not actually sold off, should be disclosed appropriately at the lower of net realizable value and net book value in the Schedule of Fixed Asset or on the face of the Balance Sheet under the head Fixed Assets. In our opinion these items cannot be disclosed under the caption "Inventories of Fixed Assets" but may be disclosed as current assets instead of Fixed Assets.

Further since several different banks merged/amalgamated and all banks were followed different accounting policy for the treatment of depreciation on fixed assets. At the time of amalgamation their Bank General Ledger was merged though the detail of the fixed assets in physical register was not

integrated/ updated. Resultantly bank's fixed assets value presented in its Balance Sheet is not tallied with its actual ntory of the same

Furthermore Schedule-10 of Balance sheet and RRB-3 are also barely presentation since records as per that is not maintained by bank (fund based accounting i.e. Gross Value of Fixed Assets and Accumulated Depreciation Fund) in its BGL hence true and fair of that value could not be justified by us.

In this regards, for making uniformity in the accounting policy for charging deprecia RRBs have to change its accounting policy while preparing its financial statement. All the RRBs were required to follow SLM method of depreciation and as per revised rates as mentioned in Circular No. CC/IFRS/CFS/472 of SBI. Since as a result of amalgamation bank had not proper records and updates regarding cost and life of the fixed assets hence was unable to give effect of the circular in a mutatis-mutandis manner.

Furthermore for calculating depreciation on new assets purcha sed during the year bank consider Date of Payment instead of its actual Put to Use. As a result depreciation that is calculated in particular year is not reflecting its true value.

As per AS-12 Government Grants, grants related to specific fixed assets should be presented in the Balance Sheet by showing the grant as a deduction from the gross value of the assets concerned in arriving at their book value. Thus grant is recognised in the profit and loss statement over the useful life of a depreciable asset by way of a reduced depreciation

RAJASTHAN MARUDHARA GRAMIN BANK

charge. Here amount funded by NABARD in Fund Literacy Centre (FLC) is not transferred to related fixed assets A/c instead of that this value is directly transferred to BGL of FEF A/c. Hence depreciation calculated by bank is not depicting its true value and we are unable to quantify the same.

32. Draw Down from Reserve

The Bank has not drawn down from General Reserve during the current financial year

33. Disclosure of Penalties imposed by RBI

The Bank has maintained CRR and SLR as per RBI Act 1934 and Banking Regulation Act 1949 and not defaulted during the

34. RECONCILIATION

Inter branch accounts reconciliation has been done for the period up to 31.03.2016 and the interbank reconciliation of accounts has been done up to 31.03.2016. In terms of RBI Circular No. RPCD.RP.BC.NO.103/07.37.02/2004-2005 dated 30.05.2005, as there is No Net Debit entries pending more than six months, hence, no provision is required for the pending entries in the inter branch account

Further it is required to disclose the following in the notes to accounts:

- (a) Cumulative Depreciation as per New Rates & Method And Depreciation Actually Applied
- (b) Depreciation Amount which would have been charged had there been no change in the rate and method

In this regard it may be noted that in absence of original cost of the assets acquired under merger, computation of cumulative depreciation as per new rate and method till the date of financial year ended 31 March 2016 is not possible.

35. Opening figures/Previous year's figures have been regrouped/reclassified, wherever necessary, to conform to current period classifications.

INDEPENDENT AUDITOR'S REPORT

The President of India

Report on the Financial State

the Financial Statements
We have audited the accompanying financial statements of RAJASTHAN MARUDHARA GRAMIN BANK,
JODHPUR (RAJ.) as on 31st March 2016, which comprise the Balance Sheet as on March 31, 2016 and Profit
and Loss Account for the year ended, and a summary of significant accounting policies and other explanatory
information. Incorporated in these financial statements are the returns of 20(weenty) branches audited by us and
575 (five Hundred seventy five) Branches were audited by Branch Auditors. The branches audited by us and
those audited by other auditors have been selected as per the guidelines issued by Reserve Bank of India,
Ministry of Finance, Government of India and NABARD. Also incorporated in the Balance Sheet and the
Statement of Profit and Loss are the returns from 71 (Seventy one) branches which have not been subjected to
audit. These unaudited Branches account for 1.17 percent of advances, 1.08 percent of deposits, 0.37 percent of
interest income and 0.63 percent of interest expenses.

Management Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements in accordance with Banking Regulation Act of India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

- Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
- reasonable assurance about whether the financial statements are free from material misstatement.

 An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the audit's judgment, including the assessment of risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Bank's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's Internal Control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.
- We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit

- In our opinion, as shown by books of bank, and to the best of our information and according to the explanations
 - The Balance Sheet, read with the notes thereon is a full and fair Balance Sheet containing all the necessary particulars, is properly drawn up so as to exhibit a true and fair view of state of affairs of the Bank as at March 31, 2016 in conformity with accounting principles generally accepted in India;
- (ii) The Profit and Loss Account, read with the notes thereon shows a true balance of profit/loss, in conformity with accounting principles generally accepted in India, for the year covered by the account.

 Emphasis of Matter Paragraphs in the Auditor's Report

- Without qualifying our opinion, we draw attention to
 - Amalgamation of JTGB and MGBGB (now RMGB) took place on 25.02.2013 Rs.26.825 crores of MGBGB Porft A/c in Liability side and Rs.23.266 crores of JTGB Other A/c in Assets side are still pending for which no satisfactory detail was provided to us as this data is still not reconciled in Bank even (i)

though more than 3 years has lapsed. Further, approx more than Rs. 3 crore non reconciled amount is pending in other liability Schedule No. 5 for which also there is no satisfactory detail is available. Hence, we are unable to justify and comment on the same.

- we are unable to justify and comment on the same.

 Amalgamation of JTGB and MGBGB (now RAGB) took place on 25.02.2013 and MAGB + MGB into RMGB on 0.1.04.2014 and data was uploaded on October 2013 and August 2014 respectively since both were running on different software platform. During audit we observed that at that time all the data was not properly migrated. Hence, NPA tracking software is not identifying and recognizing NPA properly since it is tracing NPA from October 2013 and August 2014 respectively instead of its actual date of NPA. Had the system recognized the NPA from its actual date then NPA amount would have been much more as compared to current amount correspondingly it could hit Advances, NPA Provisioning figure and Profit figure also. Profit figure also.
- Regarding disputed tax liabilities Rs.11,85,05,350 pending in appeals, the effect of which is not
- (iv) Capital adequacy as per Basel I and Basel II and other ratios disclosed in the accounts by the bank are narks in Para 7(i) to (iii) above
- subject to our remarks in Para 7(t) to (iii) above.

 The Bank's Fixed Assets are carried in Schedule 10 in the Balance Sheet at Rs.347,501,484.42. BGL of bank is not maintained as per this presentation which constitutes a departure from the accounting policy referred by SBI. Furthermore, at the time of various amalgamations barely BGL's of Fixed Assets were updated though physical Fixed Assets register were not. As a result of this many assets which are not actually in existence yet presented FEF register. To meet out this discrepancy, in C.Y. bank has written off Rs.3,26,81,325 as additional depreciation though it is also not adjusting the migration variation completely. completely.
- Claim regarding allowability of Provision of bad and doubtful debts u/s 36(i)(viia) of the Income Tax Act by the Income Tax Authority vis-à-vis stand taken by the bank in that matter is based on expert independent opinion.
- (vii) Fees paid Rs 15,00,000 to Competition Commission of India (CCI)and the same was claimed by bank in its books. Stand on this matter was taken by bank that was based on expert advocate opinion since as per our opinion this fees was not applicable on bank since the merger took place on account of Government order and as per CCI Act bank was just require to intimate the same in Form No. 3.

ort on Other Legal and Regulatory Requirements

- The Balance Sheet and Profit and Loss Account have been drawn up in Forms "A" and "B" respectively of the Third Schedule to the Banking Regulation Act, 1949.
- Subject to the limitations of the audit indicated in paragraph 1 to 5 above and subject also to the limitations of disclosure required therein, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief, were necessary for the purposes of our audit and have found then to be satisfactory
 - (b) The transactions of the Bank, which have come to our notice, have been within the powers of the Bank.
 - (c) The returns received from the offices and branches of the Bank have been found adequate for the purpose

10. In our opinion, Balance Sheet and Profit and Loss Account comply with the applicable accounting standards
