SCHEDULE 17 SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation:

The Bank's financial statements are prepared under the historical cost convention, on the accrual basis of accounting ongoing concern basis, unless otherwise stated andconform in all material aspects to Generally Accepted Accounting Principles (GAAP) in India, which comprise applicable statutory provisions, regulatory norms/guidelines prescribed by the Reserve Bank of India (RBI), Banking Regulation Act 1949, Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI), and the practices prevalent in the banking industry in India.

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates.

C. Significant Accounting Policies:

- Revenue recognition:
- Income and expenditure are accounted on accrual basis, except otherwise stated.
- 1.2 Interest income is recognised in the Profit and Loss Account as it accrues except: (i) income from Non-Performing interest income is recognised in the front and Loss Account as a acrose scepe; of income front non-renorming Assets (NPAs), comprising of advances, leases and investments, which is recognised upon realisation, as per prudential norms prescribed by the RBI/ respective country regulators in the case of foreign offices(hereafter collectively referred to as Regulatory Authorities), (ii) overdue interest on investments and bills discounted,
- Profit or Loss on sale of investments is recognised in the Profit and Loss Account. However, the profit on sale of investments in the 'Held to Maturity' category is appropriated (net of applicable taxes and amount required to be transferred to statutory reserve), to 'Capital Reserve Account'.
- 1.4 Income (other than interest) on investments in "Held to Maturity (HTM)" category acquired at a discount to the face value, is recognised as follows
 - On Interest bearing securities, it is recognised only at the time of sale/ redemption
 - On zero-coupon securities, it is accounted for over the balance tenor of the security on a constant yield ba
- 1.5 Dividend is accounted on an accrual basis where the right to receive the dividend is established.
- 1.6 All other commission and fee incomes are recognised on their realisation except for: (i) Guarantee commission on deferred payment guarantees, which is spread over the period of the guarantee; (ii) Commission on Government Business and ATM interchange fees, which are recognised as they accrue; and (iii) Upfront fees on restructured accounts, which is apportioned over the restructured period.
- 1.7 Brokerage, Commission etc. Paid/ incurred in connection with issue of Bonds / Deposits are amortized over the tenure of the related Bonds /Deposits and the expenses incurred in connection with the issue are charged upfront

2.1 Classification

Investments are classified into three categories, viz. Held to Maturity (HTM), Available for Sale (AFS) and Held for Trading (HFT) as per RBI Guidelines

2.2 Basis of classification:

- Investments that the Bank intends to hold till maturity are classified as "Held to Maturity (HTM)"
- Investments that are held principally for resale within 90 days from the date of purchase are classified as "Held for

- iii. Investments, which are not classified in the above two categories, are classified as "Available for Sale (AFS)".
- An investment is classified as HTM, HFT or AFS at the time of its purchase and subsequent shifting amongst categories is done in conformity with regulatory guidelines.
- Investments in subsidiaries, joint ventures and associates are classified as HTM.
- 2.3 Valuation:
- In determining the acquisition cost of an investment:
- (a) Brokerage/commission received on subscriptions is reduced from the cost.
- (b) Brokerage, Commission, Securities Transaction Tax (STT) etc., paid in connection with acquisition of investments are expensed upfront and excluded from cost.
- (c) Broken period interest paid / received on debt instruments is treated as interest expense/income and is excluded from cost/sale consideration.
- Cost is determined on the weighted average cost method for investments under AFS and HFT category and on FIFO basis (first in first out) for investments under HTM category.
- Transfer of securities from HFT/AFS category to HTM category is carried out at the lower of acquisition cost/book value/market value on the date of transfer. The depreciation, if any, on such transfer is fully provided for. However, transfer of securities from HTM category to AFS category is carried out on acquisition price/book value. After transfer, these securities are immediately revalued and resultant depreciation, if any, is provided.
- Treasury Bills and Commercial Papers are valued at carrying cost.
- iv. Held to Maturity category: a) Investments under Held to Maturity category are carried at acquisition cost unless it is more than the face value, in which case the premium is amortised over the period of remaining maturity on constant indeed and the date value. In which case the plentimum is adjusted against income under the head "interest on investments", b) Investments in subsidiaries, joint ventures and associates (both in India and abroad) are valued at historical cost. A provision is made for diminiturion, other than temporary, for each investment individually. e) Investments in Regional Rural Banks are valued at carrying cost (i.e. book value).
- Available for Sale and Held for Trading categories: Investments held under AFS and HFT categories are individually revalued at the market price or fair valuedetermined as per Regulatory guidelines, and only the net depreciation of each group for each category (viz., (i) Government securities (ii) Other Approved Securities (iii) Shares (iv) Bonds and Debentures (v) Subsidiaries and Joint Ventures; and (vi) others) is provided for and net appreciation, is ignored. On provision for depreciation, the book value of the individual security remains unchanged after marking to market.
- vi. In case of sale of NPA (financial asset) to Securitisation Company (SC)/ Asset Reconstruction Company (ARC) against issue of Security Receipts (SR), investment in SR is recognised at lower of: (i) Net Book Value (NBV) (i.e., book value less provisions held) of the financial asset; and (ii) Redemption value of SR. SR is issued by an SC/ ARC are valued in accordance with the guidelines applicable to non-SLR instruments. Accordingly, in cases where the SRs issued by the SC/ ARC are limited to the actual realisation of the financial assets assigned to the instruments in the concerned scheme, the Net Asset Value, obtained from the SC/ ARC, is reckoned for valuation of such investments.
- vii. Investments are classified as performing and non-performing, based on the guidelines issued by the RBI in the case of domestic offices and respective regulators in the case of foreign offices. Investments of domestic offices become nonperforming where:
- Interest/installment (including maturity proceeds) is due and remains unpaid for more than 90 days
- (b) In the case of equity shares, in the event the investment in the shares of any company is valued at ₹1 per company on account of the non availability of the latest balance sheet, those equity shares would be reckoned as NPI.
- If any credit facility availed by an entity is NPA in the books of the Bank, investment in any of the securities issued by same entity would also be treated as NPI and vice versa

- (d) The above would apply mutatis-mutandis to Preference Shares where the fixed dividend is not paid.
- (e) The investments in debentures/bonds, which are deemed to be in the nature of advance, are also subjected to NPI orms as applicable to investments
- (f) In respect of foreign offices, provisions for NPIs are made as per the local regulations or as per the norms of RBI. whichever is more stringent
- Loans /Advances and Provisions thereon:
- Loans and Advances are classified as performing and non-performing, based on the guidelines/directives issued by the RBI. Loan Assets become Non-Performing Assets (NPAs) where:
- In respect of term loans, interest and/or instalment of principal remains overdue for a period of more than 90 days;
- In respect of Overdraft or Cash Credit advances, the account remains "out of order", i.e. if the outstanding balance exceeds the sanctioned limit/drawing power continuously for a period of 90 days, or if there are no credits continuously for 90 days as on the date of balance-sheet, or if the credits are not adequateto cover the interest debited during the same period
- iii. In respect of bills purchased/discounted, the bill remains overdue for a period of more than 90 days;
- In respect of agricultural advances: (a) for short duration crops, where the instalment of principal or interest removerdue for two crop seasons; and (b) for long duration crops, where the principal or interest remains overdue for
- 3.2 NPAs are classified into Sub-Standard, Doubtful and Loss Assets, based on the following criteria stipulated by RBI:
- Sub-standard: A loan asset that has remained non-performing for a period less than or equal to 12 months.
- Doubtful: A loan asset that has remained in the sub-standard category for a period of 12 months
- Loss: A loan asset where loss has been identified but the amount has not been fully written off.
- 3.3 Provisions are made for NPAs as per the extent guidelines issued by RBI time to time in respect of RRBs, subject to minimum provisions as prescribed below:

S.N.	CLASSIFICATION	RATE OF PROVISION
1.	Substandard Assets: i. A general provision of 10% on the total outstanding; ii. Additional provision of 10% for exposures which are unsecured ab-initio (i.e. where realisable security is not more than 10 percent ab-initio); Unsecured Exposure in respect of infrastructure advances where certain safeguards such as escrow are available - 20%.	
2.	Doubtful Assets Secured portion Up to one year One to three years More than three years Unsecured portion	20.00% 30.00% 100.00% 100.00%
3.	Loss Assets	100.00%

- 3.4 Advances are net of specific loan loss provisions, unrealised interest, ECGC claims received and bills rediscount
- 3.5 For restructured/rescheduled assets, provisions are made in accordance with the guidelines issued by the RBI, which require that the difference between the fair value of the loans / advances before and after restructuring is provided for, in addition to provision for the respective loans/advances. The Provision for Diminution in Fair Value (DFV) and interest sacrifice, if any, arising out of the above, is reduced from advances.

- 3.6 In the case of loan accounts classified as NPAs, an account may be reclassified as a performing asset if it conforms to the guidelines prescribed by the regulators
- 3.7 Amounts recovered against debts written off in earlier years are recognised as revenue in the year of recovery.
- 3.8 In addition to the specific provision on NPAs, general provisions are also made for standard assets as per extant RBI Guidelines. These provisions are reflected in Schedule 5 of the Balance Sheet under the head "Other Liabilities & Provisions Others" and are not considered for arriving at the Net NPAs.
- 3.9 Interests realized on NPAs are taken in to income account provided the credits in the accounts towards interest are not out of fresh/additional credit facilities sanctioned to the borrower concerned.
- 3.10 Appropriation of recoveries in NPAs i.e. towards principal or interest due as per the Bank's extant instructions is done in accordance with the following priority.
 - a. Charges b. Unrealized Interest/Interest
- c. Principal

Floating Provisions:

The Bank has apolicy for creation and utilisation of floating provisions separately for advances, investments and general purposes. The quantum of floating provisions to be created is assessed at the end of the financial year. - disclosed as Leased Assets under Fixed Assets, and the difference between the annual lease charge (capital recovery) and the depreciation is taken to Lease Equalisation Account.
- In respect of fixed assets held at foreign offices, depreciation is provided as per the regulations /norms of the respective countries.
- The Bank considers only immovable assets for revaluation. Properties acquired during the last three years are not revalued. Valuation of the revalued assets is done at every three years thereafter.
- The increase in Net Book Value of the asset due to revaluation is credited to the Revaluation Reserve Account without routing through the profit and loss statement. The depreciation provided on the increase in the Net Book Value is recouped from Revaluation Reserve.
- The Revalued Assets is depreciated over the balance useful life of the asset as assessed at the time of revalu

Impairment of Assets:

Fixed Assets are reviewed for impairment whenever events or changes in circumstances warrantthat the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future Net Discounted Cash Flows expected to be generated by the asset, If such assets are considered to be impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset.

- Effect of changes in the foreign exchange rate: The Bank does not enter in foreign exchange market
- **Employee Benefits:**
- Short Term Employee Benefits:

The undiscounted amounts of short-term employee benefits, such as medical benefits which are expected to be paid in exchange for the services rendered by employees, are recognised during the period when the employee renders the service

- Long Term Employee Benefits
- Defined Benefit Plan
- The Bank operates a Provident Fund scheme. All eligible employees are entitled to receive benefits under the Bank's Provident Fund scheme. The Bank contributes monthly at a determined rate (currently 10% of employee's basic pay plus eligible allowance). These contributions are remitted to a Trust established for this purpose and are charged to Profit and Loss Account. The Bank recognizes such annual contributions as an expense in the year to which it relates. Shortfall, if any, is provided for on the basis of actuarial valuation.
- The Bank operates Gratuity and Pension schemes which are defined benefit plans
- The Bank provides for gratuity to all eligible employees. The benefit is in the form of lump sum payments to vested employees on retirement, or on death while in employment, or on termination of employment, for an amount equivalent to 1 days basic salary payable to or each completed year of service, subject to a maximum amount of ₹ 10 lacs. Vesting occurs upon completion of five years of service. The Bank makes periodic contributions to a fund

9. Disclosure as per Accounting Standard (AS)

9.1 Accounting Standard3: Cash Flow Statement

This Accounting Standard 3 for Cash Flow Statements is not mandatory for Small and Medium Sized Companies and RRBs. Such enterprises are however encouraged to comply with the Standard. Therefore, the Bank is not in practice to prepare Cash Flow Statement or implementing AS-3.

9.2 Accounting Standard5: Net Profit or Loss for the period, prior period items and changes in accounting policies

9.2.1 There are no material prior period items included in Profit & Loss Account required to be disclosed as per AS-5 read with RBI guidelines except those disclosed elsewhere in the notes.

9.3 Accounting Standard6: Depreciation Accounting

Break-up of total depreciation for each class of assets (In Lakh)

Premises	-Nil	-Nil
Other Fixed Assets	928.72	1115.84
Total	928.72	1115.84

9.4 Accounting Standard-9: Revenue Recognition

9.4.1 Certain items of income are recognised on realisation basis as disclosed at point no. C(1)*Revenue Recognition* of Schedule 17-Significant Accounting Policies. However, in terms of RBI guidelines, the said income is not considered to be material.

9.5 AS-10 "Accounting for Fixed Assets"

As per Paragraph 24 of AS-10 "Accounting for Fixed Assets" states that "Material items retired from active use and held for disposal should be stated at the lower of their net book value and net realizable value and shown separately in the financial statements." In our opinion these items cannot be disclosed under the caption "Inventories of Fixed Assets" but may be disclosed as current assets instead of Fixed Assets.

Further since several different banks merged/amalgamated and all banks were followed different accounting policy for the treatment of depreciation on fixed assets. At the time of amalgamation their Bank General Ledger was merged though the detail of the fixed assets in physical register was not integrated/ updated. Resultantly bank's fixed assets value presented in its Balance Sheet is not tallied with its actual inventory of the same.

Furthermore Schedule-10 of Balance sheet and RRB-3 are also barely presentation since records as per that is not maintained by bank (fund based accounting i.e. Gross Value of Fixed Assets and Accumulated Depreciation Fund) in its BGL. hence true and fair of that value could not be instified by us. In case of sale of any fixed assets only WDV is written off instead of its Provision Value and Gross Value hence Provision and Gross Block of Fixed Assets as presented in Balance Sheet are overstated.

In this regards, for making uniformity in the accounting policy for charging depreciation on Fixed Assets in SBI group, all RRBs have to change its accounting policy while preparing its financial statement. All the RRBs were required to follow SLM method of depreciation and as per revised rates as mentioned in Circular No. CCI/FRS/CFS/472 of SBI. Since as a result of amalgamation bank had not proper records and updates regarding cost and life of the fixed assets hence was unable to give effect of the circular in a mutatis-mutandis manner

9.6 Accounting Standard-15: "Employee Benefits"

Provisions for Gratuity, Leave Encashment and Other long term benefits have been made in accordance with the Revised Accounting Standard (AS-15) issued by the ICAI. The summarised position of post employment benefits recognised in the Profit & Loss A/c and Balance Sheet is as under:

The accounting for Post-Employment Benefits have been done as per the requirements of AS-15 according to which the Ine accounting for Orst-improyment is benefits have oeen done as per time requirements of AS-15 according to which the Bank paying fixed contribution into a separate entity (a fund), recognizes the contribution under Defined Contribution Plans as an expense. The Bank is having a Trust for Gratuity Fund and amount is lying invested in Group Gratuity Scheme of L.I.C. of India. During the year an amount of Rs. 2000.00 lakh was contributed to this fund. The Bank has taken Leave Encashment Fund Management Scheme from SBI Life Insurance Company Limited and also with LIC of India, and contributed Rs 100.00 lakh to this fund. The liability of Gratuity & Leave Encashment has been valued by an approved actuary as on 31.03.2017. The Actuarial Lability Ascertained, Amount Paid and Debited to P&L in the books up to 31.03.2017 & Payment Deferred and Payable Afterwards as at 31.03.2017 is as under:

Nature of Liability	Actuarial Liability Ascertained As at 31.03.2017	Amount Paid & Debited to P&L in the Books up to 31.03.2017	Amount Deferred as on 31.03.2017

9.9 Accounting Standard-20: Earning Per Share

The Bank does not issue any securities and shares and as such AS 20 is not applicable.

9.10 Accounting Standard-21: Consolidated Financial State

The Bank does not have any subsidiary and as such AS 21 is not applicable.

9.11 Accounting Standard-22: Accounting for Taxes on Income

9.11.1 The Bank recognizes the Deferred Tax Assets/Liabilities (DTA/DTL) of future tax consequences for temporary differences arising between the carrying value of assets and liabilities and their respective tax bases. DTA is recognized only when management is satisfied that there is virtual certainty that sufficient future taxable income will be available against which deferred tax assets can be realized. After giving due consideration to prudence, DTA/DTL is measured using the tax rates and the tax laws that have been enacted or substantively enacted by the Balance sheet date and as issued by the ICAL. The Components of Deferred Tax Asset / (Liability) as on 31.03.2017 are as under:

PARTICULARS	DEFERRED TAX ASSETS/LIABILITY AS AT YEAR END 31.03.2017	CURRENT YEAR CHARGE 2016-2017
Difference between Depreciation as per Income Tax Act and Books Depreciation	126.50	Nil

9.11.2 No provision was created in respect of disputed demands of Income Tax aggregating to Rs. 4.36 crores of previous years. This amount is paid by the bank and is reflected in its Assets Side without creating provision against that.

9.12 Accounting Standard-23: Accounting for Investments in Associates in consolidated Financial Statement The Bank does not have any subsidiary and as such AS 23 is not applicable

9.13 Accounting Standard-26: Intangible Assets

The present practice of depreciating software which forms integral part of hardware @33.33% (on SLM basis) and Depreciating Other Software @ 100 % consistently followed by the Bank is in line with AS-26 issued by ICAI.

9.14 Accounting Standard-28: Impairment of Assets

In the opinion of Bank's Management, there is no impairment of the Assets during the year to which Accounting Standard 28- "Impairment of Assets" not applies.

9.15 Accounting Standard-29: Provisions, Contingent Liability and Contingent Assets

As per AS-29- Provisions, Contingent Liability and Contingent Assets, issued by the ICAI, the Bank recognizes no

- Any possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the bank, or
- Any present obligation from the past events but is not recognized because
- It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation;
- A reliable estimate of the amount of obligation cannot be made.

Such obligation is recorded as contingent liabilities. These are assessed continually and only that part of the obligation for which an outflow of resources embodying economic benefits is probable, is provided for, except in the extremely rare circumstances where no reliable estimate can be made.

Contingent Assets are not recognised in the financial statements since this may result in the recognition of income that may never be realized.

1. We have audited the accompanying financial statements of RAJASTHAN MARUDHARA GRAMIN BANK, JODHPUR (RAJ.) as on 31st March 2017, which comprise the Balance Sheet as on March 31, 2017 and Profit and Loss Account for the year ended, and a summary of significant accounting policies and other explanatory information. Incorporated in these financial statements are the returns of 25(twenty five) branches audited by us and 343 (three hundred forty three) Branches were audited by Branch Auditors. The branches audited by us and those audited by other auditors have been selected as per the guidelines issued by Reserve Bank of India, Ministry of Finance, Government of India and NABARD. Also incorporated in the Balance Sheet and the Statement of Profit and Loss are the returns from 298 (two hundred ninety eight) branches which have not been subjected to audit These unaudited Branches account for 24.76 percent of advances, 51.59 percent of deposits, 23.98 percent of interest income and 52.87 percent of interest expenses.

nagement Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements in accordance with Banking Regulation Act of India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatements, whether due to fraud or error.

Auditors' Responsibility

- Our responsibility is to express an opinion on these financial statements based on our audit. We
 conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from
- An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the audit's judgment, including the assessment of risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Bank's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's Internal Control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.
- We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion

Opinion

In our opinion, as shown by books of bank, and to the best of our information and according to the explanations given to us,

- (i) The Balance Sheet, read with the notes thereon is a full and fair Balance Sheet containing all the necessary particulars, is properly drawn up so as to exhibit a true and fair view of state of affairs of the Bank as at March 31, 2017 in conformity with accounting principles generally accepted in India;
- (ii) The Profit and Loss Account, read with the notes thereon shows a true balance of profit/loss, in conformity with accounting principles generally accepted in India, for the year covered by the account.
- 7. Emphasis of Matter Paragraphs in the Auditor's Report

Without qualifying our opinion, we draw attention to:

- (i) Note no. 1.1, 1.2 and 1.3 in Schedule 18 regarding non reconciliation of balances and clearances/identification of outstanding items in respect of various accounts of assets and liabilities, the impact of which is not ascertainable.
- (ii) Note no. 9.11.2 in Schedule 18 Regarding disputed tax liabilities Rs.4.36 crore pending in appeals, the effect of which is not ascertainable.
- (iii) Capital adequacy as per Basel I and Basel II and other ratios disclosed in the accounts by the bank are subject to our remarks in Para 7(i) to (ii) above.
- (iv) Claim regarding allowability of Provision of bad and doubtful debts u/s 36(i)(viia) of the Income Tax Act by the Income Tax Authority vis-à-vis stand taken by the bank in that matter is based on expert independent opinion.

Report on Other Legal and Regulatory Requirements

- The Balance Sheet and Profit and Loss Account have been drawn up in Forms "A" and "B" respectively of the Third Schedule to the Banking Regulation Act, 1949.
- Subject to the limitations of the audit indicated in paragraph 1 to 5 above and subject also to the limitations of disclosure required therein, we report that:
- (a) We have obtained all the information and explanations which to the best of our knowledge and belief, were necessary for the purposes of our audit and have found then to be satisfactory.
- (b) The transactions of the Bank, which have come to our notice, have been within the powers of the
- (c) The returns received from the offices and branches of the Bank have been found adequate for the purpose of our audit.
- 10. In our opinion, Balance Sheet and Profit and Loss Account comply with the applicable accounting
